Engaging for them.  
Effortless for you.

Students ASK to play  
**Crazy Cards**  
in their free time

Your students will not only master decoding, but also make **deep connections between sounds, spellings, & meanings—** all within one seamless activity

**Pick a card, any card!**

**Don't look!**

Now spell it.

Now write a  
sentence with it.

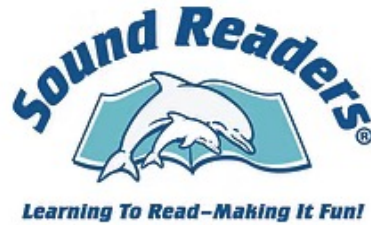

There are lots of ways to use  
these cards!

Engaged kids, zero prep,  
effective practice.

**What's not to love?**

**Designed for both special  
education & general  
classroom settings**

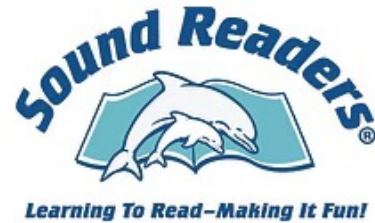

Students LOVE these games, and  
so will you  
—no prep, no hassle, just results
